**Auditor's Report on audit of Consolidated Quarterly and Annual Financial Results of Take Solutions Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**INDEPENDENT AUDITOR'S REPORT**

**The Board of Directors  
Take Solutions Limited**

**Report on the Audit of Consolidated Financial Results**

**Opinion**

We have audited the accompanying consolidated financial results of Take Solutions Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") for the quarter and year ended March 31, 2021 attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate audited financial results of the subsidiary, the aforesaid consolidated financial results:

- i. include the quarterly and annual financial results pertaining to the entities listed in Annexure;
- ii. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- iii. give a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of consolidated net loss and consolidated total comprehensive loss and other financial information of the Group for the quarter and year ended March 31, 2021.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial results.

**Emphasis of Matter**

We draw attention to the following matter in the Notes to consolidated financial results:

The management has taken into consideration the impact of the known internal and external events arising from COVID-19 pandemic in the assessment of recoverability of trade receivables, goodwill on acquisition, intangible assets and contract assets up to the date of approval of these consolidated financial results. In this assessment, the group has performed sensitivity analysis on the key assumptions used and carried out testing of impairment by engaging an independent external Chartered Accountant. Such testing of impairment performed by the group did not reveal any impairment losses except in case of certain intangible assets where an impairment provision of Rs. 6,844.45 lakhs has been recorded and disclosed under 'exceptional items.' Further, the liquidity and business constraints consequent to impact of COVID 19 pandemic has significantly hampered the operations of a step-down subsidiary viz. Navitas Life Sciences GmbH, Germany (a subsidiary of Ecron Acunova Limited, which is a subsidiary of TAKE Solutions Limited) and the liquidation process has been initiated as per the requirements of local laws. While such liquidation proceedings are in progress, the loss of Rs. 15,662.33 lakhs to the extent of net assets has been accounted for in Consolidated Financial Results during the year and disclosed under 'exceptional items.'

Since the impact assessment of COVID-19 is an ongoing process, given the uncertainties associated with its nature and duration, the group will continue to closely monitor any significant impact on the group's financial position. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial results.

Our opinion is not modified in respect of the above matter.

**Management's Responsibilities for the Consolidated Financial Results**

These Consolidated financial results have been prepared on the basis of the consolidated financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net loss and total comprehensive loss and other financial information of the Group in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective companies to continue

as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective companies or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the respective companies.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of consolidated financial statements on whether the group has adequate internal financial controls with reference to the consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial results made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/ financial information of the entities within the Group to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of entities included in the consolidated financial results of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

The consolidated financial results include the results for the quarter ended March 31, 2021 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subjected to limited review by us, as required under the listing regulations.

- 3 The Consolidated Financial Results for the quarter and year ended March 31, 2021 have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the company in their respective meetings held on June 24, 2021. The statutory auditors of the company have carried out the audit of the results for the quarter and year ended March 31, 2021.
- 4 The management has taken into consideration the impact of the known internal and external events arising from COVID-19 pandemic in the assessment of recoverability of trade receivables, goodwill on acquisition, intangible assets and contract assets up to the date of approval of these consolidated financial results. In this assessment, the group has performed sensitivity analysis on the key assumptions used and carried out testing of impairment by engaging an independent external Chartered Accountant. Such testing of impairment performed by the group did not reveal any impairment losses except in case of certain intangible assets where an impairment provision of ₹ 6,844.45 lakhs has been recorded and disclosed under 'exceptional items'. Further, the liquidity and business constraints consequent to impact of COVID 19 pandemic has significantly hampered the operations of a step-down subsidiary viz. Navitas Life Sciences GmbH, Germany (a subsidiary of Ecron Acunova Limited, which is a subsidiary of TAKE Solutions Limited) and the liquidation process has been initiated as per the requirements of local laws. While such liquidation proceedings are in progress, the loss of ₹ 15,662.33 lakhs to the extent of net assets has been accounted for in Consolidated Financial Results during the year and disclosed under 'exceptional items'.
- Since the impact assessment of COVID-19 is an ongoing process given the uncertainties associated with its nature and duration, the Group will continue to closely monitor any significant impact on the financial position. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial results.
- 5 The Code on Social Security, 2020 (the Code) has been enacted, which would impact contribution by the Group Companies registered in India towards applicable social security schemes. The Ministry of Labour and Employment has also released draft rules thereunder on November 13, 2020 and has invited suggestions from stakeholders which are under active consideration by the Ministry. The actual impact on account of this change will be evaluated and accounted for when notification becomes effective.
- 6 In order to enhance the life sciences business activities, the group has, during the Quarter ended March 31, 2021, formed a subsidiary viz. Navitas Life Science SG Pte Ltd in Singapore (as a subsidiary of TAKE Solutions Global Holdings Pte Ltd which is wholly owned subsidiary of TAKE Solutions Limited). The subsidiary is expected to commence its operations during the Financial year 2021-22.
- 7 The Consolidated and Standalone financial results for the quarter and year ended March 31, 2021 are available on the Company's website ([www.takesolutions.com](http://www.takesolutions.com)) and the website of BSE ([www.bseindia.com](http://www.bseindia.com)) and NSE ([www.nseindia.com](http://www.nseindia.com))
- 8 During the year ended March 31, 2021, the group divested its entire equity stake in one of the subsidiary viz. APA Engineering Pvt Ltd and the net profit of ₹ 208.24 lakhs (after adjusting tax expense of ₹ 89.96 lakhs) has been disclosed under 'Discontinued operations.' The shares have been transferred during the year for a consideration of ₹ 1,740 lakhs and the profit of ₹ 19.26 lakhs has also been disclosed under 'Discontinued operations.'

**INDEPENDENT AUDITOR'S REPORT**

**The Board of Directors  
Take Solutions Limited**

**Report on the audit of the Standalone Financial Results**

**Opinion**

We have audited the accompanying standalone financial results of Take Solutions Limited (the company) for the quarter and year ended March 31, 2021, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

#### **Emphasis of Matter**

We draw attention to the following matter in the Notes to standalone financial results:

The management has taken into consideration the impact of the known internal and external events arising from COVID-19 pandemic in the assessment of recoverability of trade receivables, contract assets and certain investments in subsidiaries up to the date of approval of these standalone financial results. In this assessment, the company has performed sensitivity analysis on the key assumptions used and carried out testing of impairment by engaging an independent external Chartered Accountant. Such testing of impairment performed by the company did not reveal any impairment losses. However, the liquidity and business constraints consequent to impact of COVID 19 pandemic has significantly hampered the operations of a step-down subsidiary viz. Navitas Life Sciences GmbH, Germany (a subsidiary of Ecron Acunova Limited, which is a subsidiary of TAKE Solutions Limited) and the liquidation process has been initiated as per the requirements of local laws. While such liquidation proceedings are in progress, the loss of Rs. 15,662.33 lakhs to the extent of net assets has been accounted for in Consolidated Financial Statements in the year. Considering the business projections, no impairment is required to be made against investments of the company in Ecron Acunova Limited in the Standalone Financial Results.

Since the impact assessment of COVID-19 is an ongoing process, given the uncertainties associated with its nature and duration, the company will continue to closely monitor any significant impact on the financial position. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial results.

Our opinion is not modified in respect of the above matter.

#### **Management's Responsibilities for the Standalone Financial Results**

These Standalone financial results have been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation of these standalone financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder, other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

- 3 The Standalone Financial Results for the quarter and year ended March 31, 2021 have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the company in their respective meetings held on June 24, 2021. The statutory auditors of the company have carried out the audit of the results for the quarter and year ended March 31, 2021.
- 4 The management has taken into consideration the impact of the known internal and external events arising from COVID-19 pandemic in the assessment of recoverability of trade receivables, contract assets and certain investments in subsidiaries up to the date of approval of these Standalone Financial results. In this assessment, the company has performed sensitivity analysis on the key assumptions used and carried out testing of impairment by engaging an independent external Chartered Accountant. Such testing of impairment performed by the company did not reveal any impairment losses. However, the liquidity and business constraints consequent to impact of COVID 19 pandemic has significantly hampered the operations of a step-down subsidiary viz. Navitas Life Sciences GmbH, Germany (a subsidiary of Ecron Acunova Limited, which is a subsidiary of TAKE Solutions Limited) and the liquidation process has been initiated as per the requirements of local laws. While such liquidation proceedings are in progress, the loss of ₹ 15,662.33 lakhs to the extent of net assets has been accounted for in Consolidated Financial Statements in the year. Considering the business projections, no impairment is required to be made against investments of the company in Ecron Acunova Limited in the Standalone Financial Results.  
Since the impact assessment of COVID-19 is an ongoing process given the uncertainties associated with its nature and duration, the Company will continue to closely monitor any significant impact on the financial position. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial results.
- 5 During the year 2020-21, the company had divested its entire equity stake in one of the subsidiaries viz. APA Engineering Private Limited for a consideration of ₹ 1,740 lakhs. The company has recorded profit of ₹ 1,381.81 lakhs on the sale of investments in subsidiary which has been disclosed under 'Exceptional items'.
- 6 During the year 2020-21, the company erroneously recognized revenue aggregating to ₹ 1,856.84 lakhs in respect of shared services and share of profit from group entities which should not have been recognized since the intercompany arrangements were cancelled mainly due to situations emerging out of COVID 19 pandemic. In compliance with the requirements of Ind AS 8, 'Accounting Policies, Changes in Accounting Estimates and Errors,' the company has reinstated the corresponding financial results for the financial year ended March 31, 2020 by adjusting the Revenue from operations along with the corresponding impact of reduction of ₹ 136.55 lakhs in provision for current tax.
- 7 The Code on Social Security, 2020 (the Code) has been enacted, which would impact contribution by the Company towards applicable social security schemes. The Ministry of Labour and Employment has also released draft rules thereunder on November 13, 2020 and has invited suggestions from stakeholders which are under active consideration by the Ministry. The actual impact on account of this change will be evaluated and accounted for when notification becomes effective.
- 8 In order to enhance the life sciences business activities, the company has, during the quarter ended March 31, 2021, formed a step down foreign subsidiary viz. Navitas Life Science SG Pte Ltd in Singapore (as a subsidiary of TAKE Solutions Global Holdings Pte Ltd which is wholly owned subsidiary of TAKE Solutions Limited). The step down subsidiary is expected to commence its operations during the Financial year 2021-22.
- 9 The company on a standalone basis operates in the business segment of promotion of services related to Life Sciences and hence there is only one business segment. The company on a standalone basis is primarily operating in India, which is considered as single geographical segment. Accordingly, segment information has not been separately disclosed.
- 10 During the quarter ended March 31, 2021, employees have not exercised any equity shares under Employee Stock Option Scheme of the Company.
- 11 Previous period figures have been regrouped /reclassified, wherever necessary to conform to current period's classification.
